**Rekindle your creative light.**

Take this opportunity to experiment with cloth and fabric paints and other surface design elements during this one day workshop. Fabric paint will colour fabric quickly creating uniquely appealing surfaces for stitch.

- stamping
- stenciling
- using resists
- monoprinting
- creating fabric for landscapes
- putting all the techniques together
- inkjet printing on fabric - the basics

Leave with a booklet of techniques and samples. Wear an apron or suitable clothing.

**Supply List**

- dress to paint and wear a bibbed apron
- several meters of white PFD fabric (prepared for dyeing fabric) in a relatively tight weave. The presenter will supply some fabric for experimenting on or for samples.
- Setacolor Transparent Fabric Paint by Pebeo (45 ml bottles) in the colours of Fawn, Cobalt Blue, Emerald Green, Lemon Yellow, Black, Cardinal Red, Moss Green, Parma Violet, Turquoise and Fuchsia. They can be ordered online from Dharma Trading Co. as a Starter Set. The color of Opaque Titanium White is also great.
- the most important colours for the class are underlined above
- one or two large white or opaque plastic trash bags
- if you have artist paint brushes you want to commit to fabric painting by all means bring them. Painting on fabric can be hard on brushes.
- pencil/pen for notes

The presenter will provide other supplies you will need to transform your fabric into something special.
